

ANTIQUUE VAULT FOR SALE BY THE TOWN OF OSLER
TAKING OFFERS TO THE END OF MARCH 2018

The Town of Osler has no need for this old vault anymore (we have a room in the town office that now serves the purpose), however, would like to see it go to someone in the area before putting it out for Public Sale. It is over 100 years old. It isn't in great condition (does not lock anymore, may be able to be repaired). The deal upon the sale of this vault is that the moving of it is the responsibility of the buyer (It is extremely heavy....we don't know for sure how heavy, but estimate over 500 pounds). Taking offers from people in the area first. If there is no interest expressed by the end of March, we'll be posting an ad on Kijiji.

Please call, write, or email the town office if you wish to make an offer.
