PLANT WASTE

FRUITS

VEGETABLES

COFFEE GROUNDS, FILTERS & TEA BAGS

EGG SHELLS

General Guidelines for Curbside Organics

- Cart lids must be completely closed for safety to surrounding property and prevention of windblown materials. Over-filled carts with open lids may not be emptied
- Place your cart with wheels against the curb by 7:00 am on collection day — this includes all statutory holidays.
- Return your empty cart to your property before the end of collection day
- Do not remove your cart from its assigned address
- Use your roll-out cart for the storage and collection of approved organics only
- In the event of severe weather, please leave your cart curbside. Our trucks will provide service as soon as possible after conditions have cleared.
- Do not paint or mark your cart.
- Please inform Loraas Disposal of any damage, vandalism, or theft of your cart

For your child's safety, do not allow them to play near the collection containers or vehicles. By following these instructions, you will assist in making your community one of the cleanest & greenest in Saskatchewan!
